COURSE

Cardiology for Undergraduates – a whistle stop tour

Date: Wednesday 22 November 2023

Online: Pre-recorded presentations with *Live Panel Discussion*

Course Directors

Dr Rebecca Dobson

Dr Shouvik Haldar

Gain an insight into cardiology with this showcase of cardiology sub-specialties. Aimed at medical students, the course provides the opportunity to learn about all of the different areas of cardiology, with talks on individual sub-specialties from Consultant Cardiologists and trainees. Tips on applying for cardiology training will also be covered. Live question and answer sessions throughout the event.

Certificate of Attendance

A certificate of attendance (in the name of the participant) will be made available once viewing of this online lecture has been finished, the delegate feedback survey completed and attendance validated. Certificate of attendance will only be available to those who have pre-registered for this event and attend the full webinar.
